As announced this past Sunday:

For the last 32 years God has blessed Lisa and I with the opportunity to pour our lives into the West Erwin church. In our ministry God has opened door after door. We have always believed that God would provide and show us the way... His way. He has shown me that shaping me on the anvil is a process not an event and that His purposes will be done. 36 years ago I answered a call (literally) into ministry. An Elder at my home church called me and said "we want you to work with our teens this summer... as their youth minister..." I already had a job but God said... Hey... look through this door and follow me. And so my journey in ministry began. God opened door after door, opportunity after opportunity, a journey that I never envisioned... nor one in which I have any regrets. But there comes a time... a time to go where God clearly opens doors.

It is with a very heavy heart that I resign my role as minister of the West Erwin church. This is by far the most difficult decision we've ever had to make... and it is a decision that God, Lisa & I have made. While we may not know what the future will look like... We absolutely believe God is in control... and He is faithful... and its gonna be ok.  
Danny & Lisa Snell
