The Gospel According to John

The Deity of Jesus Christ

1 In the beginning was the Word, and the Word was with God, and the Word was God. **2** He was in the beginning with Him, and things came into being through Him, and apart from Him nothing came into being that has come into being. **3** In Him was life, and the life was the Light of men. **4** The Light shines in the darkness, and the darkness did not comprehend it.

The Witness John

6 There came a man sent from God, whose name was John. **7** He came as a witness, to testify about the Light, so that all might believe through him. **8** He was not the Light, but he came to testify about the true Light which came into the world, and the world did not know Him, and the world did not receive Him. **9** He came to His own, and those who were His own did not receive Him. **10** But those who received Him, to them He gave the right to become children of God, even those who believe in His name, so that they may not be condemned for the will of the Father, but of God.
